### ISAT U LIBRARY JOINS OUTREACH PROGRAM

(PRC-PLAI WVRLC)

The Professional Regulatory Commission (PRC) together with the Philippine Librarians Association Inc. (PLAI-WVRLC) in collaboration with the librarians and library employees of different schools and universities in Western Visayas participated in the outreach program last June 22, 2024. The theme: "Bagong Pilipinas: Pagpupugay sa makabago at mapanlikhang propesyonal ng bayan". The community of Barangay of Sto. Tomas Barotac Viejo was the recipient of the said activity. The participating universities were WVSU, CPU, Ateneo De Iloilo, Angelicum School Iloilo and Iloilo Science and Technology University (ISAT U).

At nine in the morning (9:00 AM), simultaneous activities for the community were conducted by the different partners of the PRC as the first part of the program. On the other hand, the PLAI-WVRLC librarians together with library staff also prepared sets of different activities that focus on the learning, workshop and entertainment for children of Brgy. Sto. Tomas. Mr. Edmar T. Labrador Librarian of Passi City College gave his welcome remarks and followed by the #Digitalino Workshop facilitated by Ms. Ana Mae B. Cantel, BLIS program coordinator of CPU.

The workshop focused on various strategies for students, parents or any individual on how to be digitally knowledgeable to distinguish facts from fake news regarding things, videos, or news that we currently see on the internet. Additionally, this workshop emphasized to raise awareness to parents to be vigilant and alert about their children's online activities and content views on the internet.

**(CPU) BLIS students conducted Storytelling to the Children of Brgy. Sto. Tomas, Barotac Viejo.**

**ISAT U Library Personnel Guides Children Participants On Paint Me a Picture Game**

Different activities were organized for the children of Brgy. Sto. Tomas Barotac Viejo by the delegates of PLAI-WVRLC in cooperation with different schools and universities including the ISAT U Library. On the other hand the participants enthusiastically showed camaraderie and teamwork in every activity they were engaged in. Prizes were given to those who won in the games. small things like this enjoyed and had fun. Their spirit made the events enjoyable and will promote strong bonds among each other.

## PLAI-WVRLC Book Donations Turn Over

Above pictures were taken during the turnover of the Books donated from the different schools and universities in Western Visayas. Over 300 books were donated for the benefits of the students of Brgy. Sto. Tomas. The Book donation turn over was the highlight of the event wherein the PLAI-WVRLC saw the significance of these resources to the learners. The smiles on the faces of faculties and students can be seen looking at the books. This initiatives encourages learners to go to their library and browse/read some books to enriched their minds with factual information rather than looking at their cell phone and browsing the internet.

## Library Staff Receives Plaque of Recognition

Ms. Rhea L. Flores library staff received a Plaque of Recognition as a Most Valuable Performer during the Gabi ng Parangal for the 9th ISAT U Charter Anniversary celebration last May 17, 2024 at Diversion 21 Hotel, Iloilo City. She has been serving the university library since June 2007 as Library Staff. The University Library was proud as one of its employees was recognized and chosen as one of the awardee during the celebration. Her award was an acknowledgement of her exceptional skills, knowledge, commitment and passion for serving the university library. She is an employee dedicated to her precious hours serving the university library in every aspect of her position.

## University Librarian Joins PICO Strategic Planning and Professional Development Boot Camp

**Ms. Rovilyn D. Somcio,  
University Librarian  
participating in one of the  
activities during the Boot Camp**

University Librarian Ms. Rovilyn D. Somcio attended the Strategic Planning and Professional Development Boot Camp 2024 of the Public Information and Communication Office (PICO) on February 22-24, 2024. The two(2) day activity was conducted at the St. Vincent Cottages Resort Dee and Timmy Side, Boracay, Aklan.

Various activities were done during this event as well as different topics were presented by different speakers including "The Social Media Security Awareness", Digital Journalism", and Headline Writing" as well as Content Marketing.

These topics were discussed to promote a clean, factual Digital Information that the university was aiming. On the other hand, Ms. Somcio in terms of library services, echoed the library personnel to critically evaluate information found online and be vigilant distinguishing between credible and unreliable sources especially that the library as the center of the university learning should be the first to recognize those.

K

1. Ms. Rovilyn D. Somcio, University Librarian was eager to extend the library services not just inside the university but also into the community. She proposed a Library Extension program and the Nabitasan Integrated School was chosen as the beneficiary of the said project. As part of the process, she visited the school (1st picture) as part of her empathy walk.

2. Also, the NIS visited the University Library last April 30, 2024 to explore what are the services offered likewise the resources that the library has. Ms. Rovilyn D Somcio together with Mr. Raymond Peter T. Tolentino Principal III of NIS (**Standing in front**) discussed the partnership that the both parties agreed.

3. The proposal of the library extension program (**LIBRO**) **Library of Information Bringing Resources Openly**. Wherein it had gone into many phases before implementation. It has to pass an In-House review where the university librarian Ms. Rovilyn Somcio needed to convince the panel of five (5) on how and why this project is relevant to the institution as well as the community.

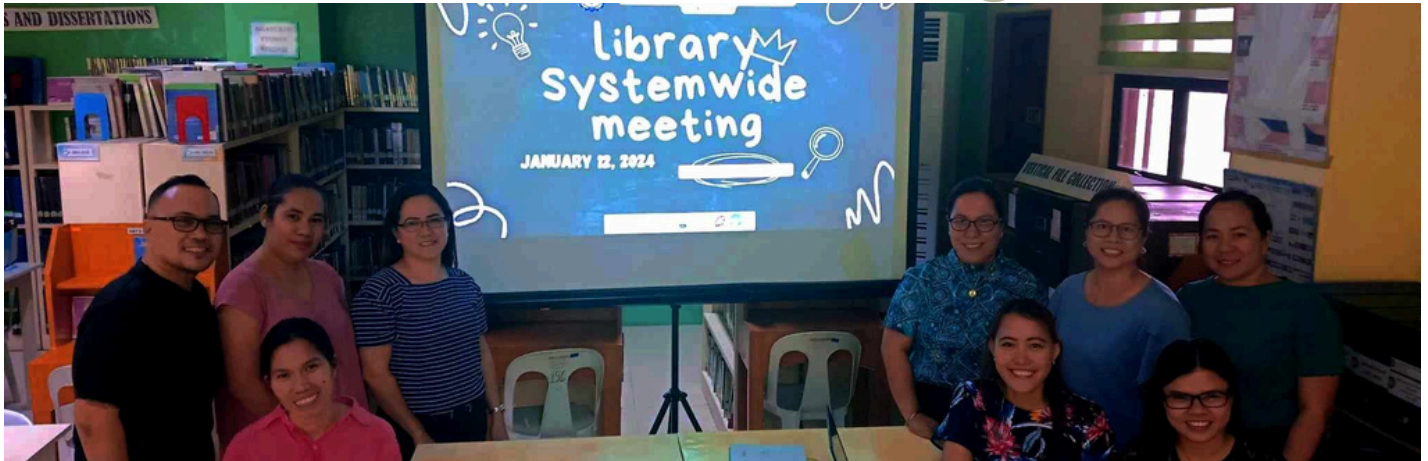

4. On March 6-8 of 2024, Ms. Rovilyn D. Somcio, the University Librarian, attended the Writeshop on Engendering University Extension Full-Blown Proposal at the Marceily Point, San Lorenzo, Guimaras. The activity conducted a positive critique for the proposed project in this way, participants know the weakness and strengths of the project. This is also a way for them to enhance and advance the effectiveness of the extension program that they are proposing. The **LIBRO** project is the first extension projects that the university library engaged to extend its services outside the university premises. It will be a good start for both parties to rely on each other for building a foundation to foster future generations in giving updated factual information to faculty and students through this extension service.

## LIBRARY PERSONNEL ATTEND VARIOUS SEMINARS, TRAININGS AND WORKSHOPS

A **Gender Responsive Disaster Risk Reduction & Management Seminar** was conducted last May 03, 2024 at the Function Hall of ISATU TLE Center. This was attended by different participants from the various campuses of ISAT U. Several library employees also attended the seminar. Two speakers shared their knowledge and expertise to the participants on that day. Professor Ricardo P. Bagarinao Director, Center for Open and Digital Teaching Learning of UPOU talked about Household Disaster Preparedness dealing with the different vulnerabilities of every household, anticipating hazards and creating a responsive preparedness plan before disaster occurs. On the other hand, Associate Professor Maria Emilinda T. Mendoza discussed Death and Disaster, reiterating the common future is now our current world and that we are living in a VUCA world filled with wicked problems. Whereas VUCA are qualities that make a certain situation difficult to analyze, by understanding the (VUCA) Volatility, Uncertainty, Complexity and Ambiguity it will definitely improve the strategies/mitigation on how to solve a certain problem that may cause a disaster.

The Librarians (**upper left picture**) Mr. Mario Sunday Adison and Ms. Janeca Alegria participated the **ARTA Client Satisfaction Measurement Summit** held last May 19, 2024 at ISAT U Miagao Campus together with other representatives of every department in the Main campus and from other external campuses of ISAT U. It was a collaboration of the Civil Service Commission and ISAT U. This seminar aims to empower the participant with a comprehensive understanding, familiarize and be proficient in utilizing the CSM methodologies. Library on the other hand as one of the front liner offices of the institution must instill a feedback form under the ARTA format to determine the percentage gathered using the given system. Eventually, these forms will be gathered by the Research

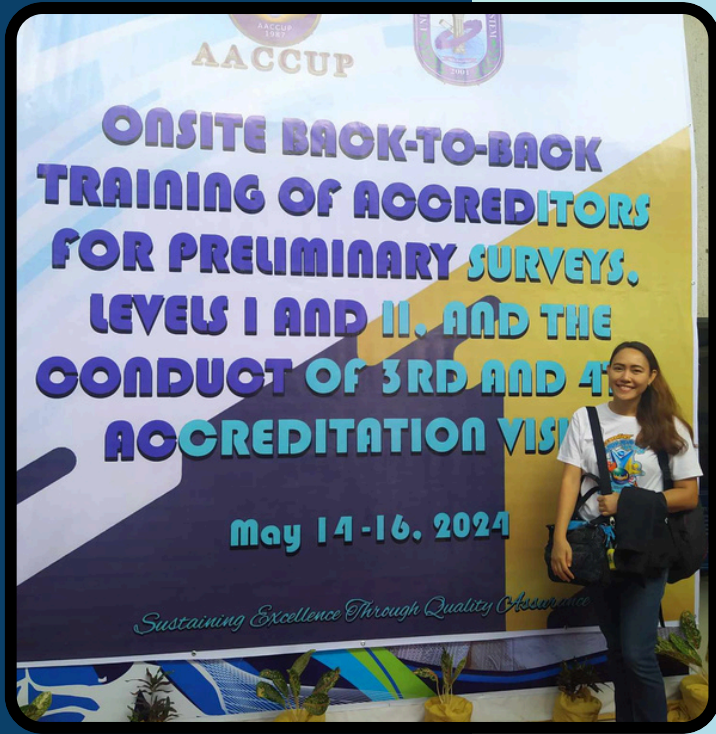

Department for easy tabulation. Also, the library must have their services posted with an assigned person includes; brochures and anti-fixer posters to be displayed at the bulletin board. The library must also establish a complain/help desk for its clientele's information easy access.

## CHED Conducts University Inspection : Programs Application for COPC

The Commission on Higher Education (CHED) conducted an online inspection to Iloilo Science and Technology university (ISAT U) on June 3, 2024. This inspection is with regards to the university's application for COPC for its 12 programs namely BSECE, BSEE, BSCE, BSME, BSA, BIT ELX, BSBIO, BHS, BSCS, BSIS, MSCS and MaEd. This inspection included mo monitoring, review and evaluation of the program in different levels.

The library, as part of the academe plays a vital role in providing updated resources for the programs and giving quality service to its clientele especially for the new programs of the university. During the online inspection, Ms. Rovilyn D. somcio assured the body that ISAT U Library is equipped with the necessary documents for the accreditation and other program evaluations.

## University Librarian Monitors Satellite Campus Library (Leon Campus)

In compliance of the satellite campus, specifically Leon campus to the AACCUP and ISO standard, the University Librarian Ms. Rovilyn D. Somcio extend her service to monitor the general operation of the campus once in a month. This monitoring is either face to face or via online to make sure that the satellite campus is properly equipped and cater the needs of its client. This also is important to ensure that the policies are implemented system wide to address any problems and updating the libraries.

### CONTACT US

## University Librarian Joins Parent/ Student Administration Dialogue

The ISAT U Administration conducted a Students Administration Dialogue (February 13, 2024) followed by Parents Administration Dialogue (February 16, 2024). This activity was done to ensure that any concerns and queries of both parents and students were heard. It allowed the administration to address potential issues to prevent future complaints. This activity was also done to provide updated information securing them that they are part of a supportive community where their needs are prioritized.

The University Library represented by the University Librarian Ms. Rovilyn Somcio partakes in these dialogues also to raise awareness for students and parents that rest assured the library is a safe place for students with abundant resources available for them to support their studies, researches and future endeavors.

## Different Universities Conduct Benchmark at the ISAT University Library

The Capiz State University visited the Iloilo Science and Technology University for a one day benchmarking and learning activity last March 08, 2024. This is to discover new ideas and enhance the services that their institutions offer. Also they want to build professional relationships in the field of public information and library services. After the benchmarking program, the delegates were toured around the university campus. The University Librarian, Ms. Rovilyn Somcio facilitated their tour in the library by answering their questions and discussed about the different activities of the library, likewise the achievements and the services that the library offers. They were able to explore the university building facilities as well as took a peek of the new library building. .

On the other hand, Japanese students together with their adviser from one of the institutions in Japan had a peek of the university library. They explored every section of the library and scanned some materials to experience library offerings and resources. The University Librarian and personnel assisted them and answered all their queries. Giving good service is always a priority of the library.

Delegates from Davao del Sur State College Library also dropped by at the ISAT university library to explore the library and know the services it offers as well as its resources. Librarian from the left Mr. Adison, Ms. Alegria, **(three person at the center the visitors)** Ms. Rovilyn Somcio University Librarian and Ms. Mantiquilla Librarian in the University Library.

### CONTACT US

The University Library has a new physical set up that students may look forward visiting in the opening of a new semester 2024-2025, This new set-up will allow a new environment and new learning spaces for them to comfortably study and avoid moving apart regardless what college or program they are in.

On the ground floor, the Office of the University Librarian will be seen together with the Reference Section with its Extension outside the office where Theses and Dissertations are located. While up on the Second floor, the fully air conditioned reading and study area. All the Books are stored in the circulation area and can also be seen on the second floor.

However, the Periodicals and the Internet section can now be found at the third floor of the library. An area for the clientele of Periodicals and Internet section is wide and can now accommodate students who will be using the internet in doing their research and study purposes. Printing is still available and will be accommodated in the third floor of the library.

With these new physical arrangements, the library would like to encourage students to visit the library and check out other things that's new!

## ISAT U LIBRARY: Cultivating Youths Future.

For the past years, the library as the vibrant center of learning in the university has been accepting students' On the Job Training (OJT)/Immersion from external institutions as well as from ISAT U. The University library invites its eager interns and those who are willing to be trained and wholeheartedly to spend their time to adopt and acquire new knowledge that the library will embark on.

The moment spent in the library is also an opportunity to acquire valuable skills and knowledge that will serve them well in their future careers. In the library, interns will find themselves not just learning about library operations but also develop critical thinking, teamwork, and communication skills.

Completed hours of Internship means an accomplishment and prepares them to be equipped with the knowledge and experience needed to thrive in their chosen fields.

The university library is thankful to have these valuable interns that allotted their precious time as well as the commitment they have given during their stay.

Students from Leonora S. Salapantan National High School (LSSNHS) taking up Technical-Vocational Livelihood-Information Communication Technology (TVL-ICT) with their certificates indicated that they already completed their hours of training at the University Library, with Ms. Rovilyn D. Somcio and the library personnel.

Students of this university Mr. Adel Christian Colina and Mr. Ian Jade Pulmones BSCS graduating students and five (5) students from WWSU taking up BLIS completed the time of their internship, together with the Library Employees outside the University Library.

## CELEBRATING VALENTINES AT THE LIBRARY

There are many ways on how we celebrate Valentines Day, from Couple dining out together, families enjoying meal at home, to giving of flowers and chocolates to special someone and words of love for the person we admire and a lot more.

As the world celebrates this love day the University Library did it in a cheerful way that a student could enjoy their stay inside the library. The library was decorated with hearts and inspiring words in the ceilings and walls to transform the ambience and candies were available for everyone that is visiting the library. As Valentine's Day is for everyone, let us also be mindful to give importance to the emotional stress of some.

A freedom wall was placed to provide a genuine space for students to post and write what their hearts desire, their frustrations and heartbreaks, happiness and experiences can be written in one corner of the library.

Outside the library a photo booth was placed to suit their day with different book covers to inspire and be enjoyed by couples, groups, friends and for themselves .

In essence, our celebration at the university library aims to cater everyone fostering a warm and inclusive atmosphere where every student can find enjoyment and a sense of belonging on Valentine's Day.

Students in their finest smiles taking a pose in the photo booth outside the library.

## LIBRARY BEATS THE HEAT!

Summer in the Philippines starts in March and ends in May. It is the time where people are quenching for escape because of unbearable heat. As the temperature rises day by day, it is really a great time to soak yourself in the beach water. There are more than 7,000 islands all over the Philippines and every island has to offer. Being in the institution for how many years, The university library decided to plan for some escapade to Beat the Heat! The library personnel together with the student assistants choose to explore the beach of the Island of Guimaras. Quite near, yet very affordable and classy, White sand and blue water that already satisfy our eyes. The cold water and the good ambiance

of the place energizes our mind and body. Working environment sometimes causes a stressful environment, and Personnel need time to relieve stress and have time to recharge. This is the reason why summer is one of the seasons where library employees are looking forward to. Feel young again, fresh and be thankful for the time spent in the company. This activity also provides us an opportunity to create a strong bond and comradery.

**"Teamwork gives you the best opportunity to turn vision into reality."  
- John C Maxwell**

## Book Suggestion

1. This book is found in the Circulation Area in the 2nd floor of the library. A Fiction book that would Prepare readers to be swept into a world of breathless fairy-tale romance, swoon worthy characters, glittering gowns, and fierce intrigue perfect for readers who loved Divergent, Delirium, or The Wrath & the Dawn.

In The Selection, The Elite, and The One, thirty-five girls enter the competition of a lifetime. The Selection is a chance to escape a rigid caste system, live in a palace, and compete for the heart of gorgeous Prince Maxon. But for America Singer, being Selected is a nightmare. It means turning her back on her secret love with Aspen, who is a caste below her, and competing for a crown she doesn't want.

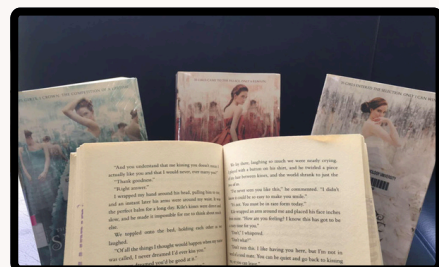

Then America meets Prince Maxon—and realizes that the life she's always dreamed of may not compare to a future she never imagined. In The Heir, Princess Eadlyn becomes the first ever princess of Illéa to hold a Selection of her own—but she doesn't believe that any of her thirty-five suitors will capture her heart...
